

Join our team in a Collective team work environment! The Youth Advocate responsibilities include the following:

- Provide crisis intervention, supportive services and legal, medical, and systems advocacy for children and teen victims & survivors of domestic violence and teen dating violence.
- Engage youth in conversations about the media, social norms, oppression, and social justice.
- Provide awareness and prevention education to schools and the community.
- Facilitate children and teen support group services.
- Represent VIP and participate in CCR and community meetings & events.
- Maintain files and statistical data for funding sources
- Evaluate your success and adapt your program accordingly.
- Provide feedback, direction and support to all other VIP staff positions.
- Build strong, professional relationships with community leaders.
- Participate in On Call HELPLINE and advocacy duties.

If so, please apply by sending a current resume, and 3 professional references to:
